## International Programs and Services

Dear Exchange Visitor Student,

We are glad to welcome you to our Exchange Visitor Program at George Mason University! The Exchange Visitor Program, also known now as BridgeUSA, operates under the auspices of the U.S. Department of State's Bureau of Educational and Cultural Affairs. Its purpose is to provide you with an opportunity to participate in an educational and cultural program in the United States, return home to share your experiences, and encourage Americans to participate in educational and cultural programs abroad. Exchange Visitors enter the United States on a J visa. Title 22 of the Code of Federal Regulations (CFR) regulates Foreign Relations. Part 62 regulates the Exchange Visitor Program. As a designated sponsor, GMU complies with regulations and compliance administration outlined in 22 CFR Part 62. As a participant, you are expected to comply with 22 CFR Part 62. As the Alternate Responsible Officer for GMU's exchange visitor students, I am writing to provide information that you will need to prepare for your trip to the U.S.

For the Fall 2022 semester, GMU plans to have in-person, hybrid (partially in-person and partially online), and fully online classes. **Currently, new Exchange Visitor students need to have at least 50% of their classes be in-person or hybrid classes.** Please note that government guidance and GMU policies may change before the start of classes or during your program. Before March 2020, graduate students were not allowed to have a fully online class for their first 9 credits.

Please review the details about pandemic related restrictions and requirements for entry to the U.S. on the Center for Disease Control's website: [www.cdc.gov](http://www.cdc.gov). Please read any emails from OIPS sent to your official GMU email address to keep up on any new OIPS advise.

### **Orientation and Arrival at George Mason**

The Office of International Programs and Services will host a virtual and in person orientation program. More information is located here: <https://oips.gmu.edu/attend-orientation/> As part of your required orientation program, I will also schedule a virtual post-arrival J-1 compliance meeting.

I wish you safe travels to the United States!

Sincerely,

Christine A. Bodziak

International Advisor

# OBTAINING A U.S. VISA

---

Due to pandemic conditions, you should first confirm that the consulate in your country is open for routine visa processing or will accept emergency appointments for J-1 Exchange Visitor students with an upcoming program start date of August 16, 2022.

## Steps to Obtain a U.S. Visa

- Have on hand your passport and your Certificate of Eligibility for Exchange Visitor Status (DS-2019 Form)
- Have ready a digital photo that meets the requirements
- Find the website of the U.S. consulate in your country of residence here: <http://www.usembassy.gov/>
- Confirm if there are any additional documents or fees needed for this particular consulate
- Open a record in the Student Exchange Visitor Information System (SEVIS) and pay the *required* SEVIS fee (901 fee) at <https://fmjfee.com/i901fee/> Currently, the fee is \$220  
Note: Your SEVIS number is the number that begins with the letter “N” in the top right of your DS-2019 form
- Print the SEVIS fee payment receipt
- Complete the Visa Application Form (DS-160)
- Print the DS-160 confirmation page and payment receipt
- If you applied for a US visa before or if your country participates in the Visa Waiver Program, check to see if the in-person interview can be waived. If not, follow the directions on the consulate’s website to schedule your interview
- Pay the MRV/visa fee when you schedule your interview. Currently, the fee is \$160. Please note, the visa and SEVIS fees are valid for a year, but are nonrefundable. Costs are subject to change

Approximate wait time to receive a visa appointment can be found at:

<https://travel.state.gov/content/travel/en/us-visas.html>

However, due to the pandemic, it may or may not be accurate. Read the consulate's updates regarding visa processing on their website and follow the specific consulate on social media.

### **Bring to your Visa Interview**

- Your GMU acceptance letter
- Your OIPS welcome letter that confirms you will be taking some or all of your classes in person
- Proof of funding documents
- Printed copies of your DS-160 confirmation page, your DS-160/visa (MRV) fee receipt and your I-901 SEVIS fee receipt
- Your original DS-2019 Form
- **Check the consulate's website to confirm if any additional fees or documents are needed per the consulate's requirements**

Be prepared, honest, polite, and confident when presenting yourself to the consular officer during your visa interview. They may ask what you plan to study, why you selected Mason, and what your plans are after your program. You may be asked to show your admission letter from GMU, proof of financial support, proof of strong ties to your home country, etc. The consular officer will review whether you have sufficient funds to cover expenses and confirm your non-immigrant intent. Consular officers have the sole authority to either grant the visa or refuse the visa.

Please note that there is a chance refused applications may be flagged for administrative processing if the consular officer determined they did not have adequate information to verify if you are eligible for a visa. Please notify your J-1 advisor immediately if your application was flagged for administrative processing so we can advise you on next steps.

# TRAVELING TO THE UNITED STATES

---

Since the start of the pandemic, multiple announcements from U.S. government agencies have impacted exchange programs, international students, and travelers from certain regions to the United States. Although we can offer some guidance now, some other entity may interpret a specific announcement in such a way that prevents you from traveling and entering the United States. Currently, COVID vaccinations and a negative COVID Pandemic related entry requirements are on the [the CDC's website](#). Additional government guidance may also be issued before your arrival that can impact your travel.

You can enter the United States up to 30 days before the program start date indicated on your DS-2019 form. Also, you have a grace period that allows you to stay in the U.S. for up to 30 days from the program end date on your DS-2019 form before departing the U.S.

Your visa permits you to travel to a U.S. Port of Entry. For most travelers, this is an international airport in the U.S. where you present yourself to the Customs and Border Protection (CBP) officer after disembarking from your flight. You will present certain documents and may be asked to show supporting documents. Be prepared, honest, polite, and confident when presenting yourself to CBP officials. Place these important items in your carry-on luggage during your flight when you travel so that they are readily available:

- Your passport with valid visa
- Your original DS-2019 form
- Your admission letter
- Your OIPS welcome letter that confirms that you will be enrolled in hybrid or in-person classes
- A print out of your classes from Patriot Web
- Your proof of funding documents
- Emergency contact information both in the United States (if applicable) and in your home country
- Proof of COVID vaccine and negative test results per the CDC guidelines
- OIPS contact information
- The address where you will be staying

Present **your passport, original DS-2019 form and entry visa** to the immigration official at the U.S. port of entry. They may ask questions that will require you to show some of your supporting documents. If they have additional questions, they may direct you to a secondary inspection site.

Almost everything in the United States can be paid using a credit card, so you should have one with you when you arrive. You will use it for your living expenses and might need it in an emergency. Do not carry a large amount of cash with you. If you must enter the U.S. with cash, we encourage you to use traveler's checks, which are more secure and can be replaced if lost.

Please follow the link to explore your transportation options from Virginia airports:

<http://transportation.gmu.edu/airportservices.html>

# ARRIVAL AND ORIENTATION

The Office of International Programs and Services will host a virtual and in person orientation program. More information is located here: <https://oips.gmu.edu/attend-orientation/> Please note that there are some separate meetings depending upon if students are F-1 or J-1 students. Please email your J-1 advisor at [cbodziak@gmu.edu](mailto:cbodziak@gmu.edu) to let us know your arrival plans in order to facilitate scheduling a required post-arrival compliance orientation meeting. Your graduate department would provide you with information regarding any separate orientation activities.

Once you have arrived in the United States, OIPS will validate your SEVIS record to confirm that you have arrived and started your program. In order for us to do so, each J-1 student must complete the J-1 online check-in process on the OIPS website. For the check-in process, you will need to know your G#, your local address, U.S. phone number (if applicable) and emergency contact information. You should plan to complete the J-1 check-in form as soon as possible after arrival, but no later than August 31st. You can only complete the check-in form AFTER arriving in the U.S. as you need to upload your most recent I-94 record. Please follow this link to start the check-in form:

<https://oips.gmu.edu/international-student-check-in-form-for-j-1-students/>

## What is an I-94 Record?

The I-94 record is the “Arrival/Departure Record” issued by U.S. Customs and Border Protection (CBP) whenever you enter the United States. This record confirms that you have been legally admitted to the U.S. in a specific visa status, and for a specific duration of time. For F and J visa holders the amount of time is indicated by the notation “D/S” which means you can be in the U.S. for the Duration of Status of your student program. The CBP officers will enter the I-94 data into an on-line registration system using your passport and visa stamp. You will be able to access an electronic version of the I-94 record by visiting: <https://i94.cbp.dhs.gov/I94/#/home> This record can be printed when applying for immigration benefits, such as a driver’s license or a Social Security Number (SSN).

# HOUSING

---

You may want to check with the Office of Housing and Residence Life about any new Fall 2022 opportunities to live on campus. Beacon Hall is also an option on the Sci-Tech campus. Graduate students may also apply to live at Masonvale, off-campus apartments adjacent to the Fairfax campus. <https://www.masonvale.com/masonvale-fairfax-virginia/>

In addition, we recommend working with Contemporary Student Services (CSS) for your off-campus housing search: <https://contemporary.gmu.edu> Read the Renter Resources and Renter Education sections of their website. Housing scams occur, so please read over the CSS and OIPS resources and information about renting in Fairfax and to protect yourself.

You can also find a variety of tips on the OIPS website at: <https://oips.gmu.edu/offcampus/>

**Tip:** The current minimum needed to meet basic living expenses (excluding health insurance) for a single graduate student at GMU is: \$24,120 per nine-month academic year. Students who stay for the summer should expect their costs to be at least 33 percent more. The cost of living in the metro Washington, DC area is one of the highest in the United States. Thus, it is very important that you research the cost of housing and other living expenses before you travel to the U.S. Please pay particular attention on how to avoid housing scams:

# HEALTH INSURANCE

---

Exchange Visitors and their dependents must maintain health insurance for the entire period of J status in the United States. U.S. regulations require the following:

1. Medical benefits of **at least** \$100,000 U.S. per accident or illness
2. Repatriation of remains in the amount of \$25,000 U.S.
3. Expenses associated with medical evacuation of the Exchange Visitor to his or her home country in the amount of \$50,000 U.S.
4. A deductible not to exceed \$500 per accident or illness

The George Mason University Health Insurance plan is offered by Aetna Student Health. It meets and exceeds the requirements. Along with your DS-2019, you will receive an International Student Welcome letter from the Student Health Insurance office explaining that international students are automatically enrolled in the health plan and the international student premium is due by the first day of classes. Per regulation 22 CFR 62.14(i) a willful failure to maintain health insurance will result in termination from the exchange program. Sponsored students who receive scholarships that cover the insurance fees must work with the Third-Party Billing Office in Students Accounts to ensure they have a copy of your sponsorship letter. Sponsored students must follow up with their government sponsor to confirm that invoices are received and are in process.

You can find more information about the plan and how to access your health insurance benefits at: <https://shs.gmu.edu/insurance/resources/>

If you are bringing a spouse or child with you on a J-2 visa, you will need to show proof of health insurance for your accompanying dependents that meets the requirements. You may either select the GMU plan for dependents or enroll in another plan. Please follow the link below to learn more about enrollment options for dependents:

<http://shs.gmu.edu/insurance/international/>

**IMPORTANT NOTE:** Please review the plan dates when considering your health insurance coverage. J-1 students arriving before the start of their Aetna Student Health coverage may want to purchase supplemental insurance coverage until the health plan start date. Once your program starts, there cannot be any breaks or lapses in insurance coverage even if one travels outside the U.S for an extended period of time during the J program. Below are some outside insurance companies that provide health insurance for dependents or Exchange Visitor Students on post-completion Academic Training:

## **ISO Insurance:**

<https://www.isoa.org/>

## Seven Corners Travel Insurance

<https://www.sevencorners.com/student-travel-insurance#/quote>

### **VISIT® International Health Insurance Program for International Students, Scholars, Spouses, Families & Visitors**

Website: <http://www.visitinsurance.com/>

*Exchange visitors and automatic payroll deductions for insurance:* If you are employed by GMU with health insurance benefits, 22 CFR 62.14(b) requires that, "If the sponsor provides health insurance, or arranges for health insurance to be offered the exchange visitor, via payroll deduction at the host organization, the exchange visitor must voluntarily authorize this action in writing and also be given the opportunity to make other arrangements to obtain insurance.

### **Tips for selecting a health insurance provider:**

There are many health insurance providers available and the options can be overwhelming. When selecting an insurance plan, you should select a plan that meets your individual needs and the minimum J requirements mentioned earlier. A plan that worked for your friend or colleague may not be the best option for your family. You should carefully review the details of any insurance plan you are considering. Some plans have a higher deductible than others. Some may require you to pay out-of-pocket and submit claim forms for re-imbusement. Consider your budget and ability to meet the terms of the specific insurance plan.

\* *Medical evacuation and repatriation requirements.* Note the explicit requirement for medical evacuation and repatriation insurance. Most domestic health insurance policies do not include this feature, or include it only for bringing people or remains back to the United States from abroad. You may have to purchase medical evacuation and repatriation coverage separately for your J-2 dependents. Many insurance companies provide this special coverage at a reasonable cost.

OIPS must terminate the SEVIS record of an exchange visitor who: 1) does not provide OIPS with a valid health insurance by the start of the Exchange Visitor program at GMU; and 2) does not submit updated health insurance when s/he seeks to extend their program.

The willful failure to carry the required insurance or material misrepresentation of insurance coverage will result in the termination of your program and legal status in the U.S. If you have a sponsor that pays your health insurance fee and they do not submit payment in a timely manner, you may be required to pay the fee and then request a re-imbusement when the credit appears on your account.

If you are employed at GMU and eligible for health insurance benefits, please attend the Benefits Orientation in Human Resources (Fairfax campus, Merten Hall, 4<sup>th</sup> floor).

## **THE COST OF U.S. HEALTH CARE**

Your health insurance may not cover the full cost of your doctor's visit, hospitalization or medication. Review the rules related to your plan to understand fully what is covered. Here are some of the terms defined:

### **Premium**

The amount you pay to your insurance company for your insurance policy. This is paid on a monthly or a yearly basis, depending on your insurance plan.

### **Co-Pay**

The co-pay or co-payment, is the amount you are expected to pay directly to the healthcare provider at the time you receive medical treatment. This is usually a small amount and varies depending on your insurance.

### **Deductible**

The deductible is a part of the medical bill that you are expected to pay in addition to the co-pay. Insurance plans usually specify the amount of a medical bill they cover and the amount you must pay. The deductible is usually described as a flat amount or as a percentage, depending upon the policy. Generally high premiums have a lower deductible while lower premiums have a high deductible.

In many cases, the doctor's office or hospital where you seek treatment may not bill your insurance directly. They may require you to pay them directly and for you to be reimbursed by your health insurance company.

### **Information on the Possible Applicability of the Affordable Care Act**

The general rules regarding applicability of the individual mandate of the ACA and availability of ACA-compliant coverage also apply to J nonimmigrants, but that the minimum levels and types of coverage are still required as a condition of J-1 or J-2 status, even if those nonimmigrants are additionally subject to the ACA's individual mandate. For more information please visit:

## Employment

Many graduate students work on campus as graduate assistants, have on campus employment related to or not related to their field of study, or seek an off-campus experience which must be approved as Academic Training. # NEAR THE END OF YOUR PROGRAM

---

## Program Completion

Your program completion date is generally the date of your last exam or your defense date. Your J-1 program end date on your current DS2019 is the last day of exams for that semester. If your defense date is much earlier in the Fall or Spring semester, OIPS will need to shorten your program end date on your DS2019 form and your 30-day grace period will begin after your updated J-1 program end date. Students with summer defense dates will have their J-1 program completion date be the defense date or the last exam date of the session their defense is scheduled. Keep this timing in mind to consider when you need to depart the United States and if you want to attend your graduation ceremony during your grace period.

## Program Extension

If you will not complete your academic program by the current end date on your DS-2019 form, remember to apply for a program extension as soon as possible. More information is at:

<https://go.gmu.edu/pgm3>

## Post-Completion Academic Training

If you are interested in participating in post-completion Academic Training, please schedule an appointment with your J-1 advisor as soon as possible. More information about Academic Training can be found at: <https://oips.gmu.edu/academic-training/>

## Future J-1 Programs

After you leave the U.S. at the end of your program, if you are considering returning to the U.S., keep in mind there is a 12-month bar on participation that impacts both J1 and J2 participants interested in returning in the J1 Research Scholar or Professor category. Please also check to see if your visa notes if you are subject to 212 (e) if considering returning in certain other statuses.

# THE TWO-YEAR RESIDENCY REQUIREMENT

---

Some J1 exchange visitors are subject to Section 212(e) in the Immigration and Nationality Act; what is called the Two-Year Home Country Physical Presence Requirement, the Two-Year Residency Requirement or simply, the Two-Year Rule. It applies to exchange visitors in the following situations:

- If you receive any indirect or direct funding (including nominal travel grants) from your home government or a U.S. government agency at any point during your J-1 stay in the U.S.
- If your country of citizenship or permanent residency and field of work are identified by your home government as being in short supply and consequently listed on the U.S. State Department's Exchange Visitor's "Skills List." here: <https://travel.state.gov/content/travel/en/us-visas/visa-information-resources/skill-list-by-country.html>

## How to Fulfill?

To satisfy the home residence requirement, the individual subject to 212(e) must reside in the country of nationality or last legal permanent residence or be physically present in those locations for at least two years. It can also be an aggregate amount of two years if the person departed and returned to the country at various times. The two-year time period begins after the completion of the J1 program and the Exchange Visitor's departure from the United States. Exchange Visitors who are subject may return to the U.S. while they are still subject in other non-immigrant categories including but not limited to F-1 student, J-1 Exchange Visitor, B visitor and the O-1 foreign national of extraordinary ability. Exchange Visitors that are subject:

- Cannot pursue a change of status in the U.S. (with certain exceptions).
- *Apply for H, L, or K visa*
- Cannot change status in U.S. to a legal permanent resident/immigrant visa.

Exchange Visitors interested in applying for a waiver of the Two Year Residence Requirement can find more information on the Department of State's website: <https://travel.state.gov/content/travel/en/us-visas/study/exchange/waiver-of-the-exchange-visitor.htm>. Change of status in the U.S. is not permitted if you are subject to 212(e) unless you obtain a waiver.
