Dear Exchange Visitor Student,

We are glad to welcome you to our Exchange Visitor Program at George Mason University! The Exchange Visitor Program, also known now as BridgeUSA, operates under the auspices of the U.S. Department of State’s Bureau of Educational and Cultural Affairs. Its purpose is to provide you with an opportunity to participate in an educational and cultural program in the United States, return home to share your experiences, and encourage Americans to participate in educational and cultural programs abroad. Exchange Visitors enter the United States on a J visa. Title 22 of the Code of Federal Regulations (CFR) regulates Foreign Relations. Part 62 regulates the Exchange Visitor Program. As a designated sponsor, GMU complies with regulations and compliance administration outlined in 22 CFR Part 62. As a participant, you are expected to comply with 22 CFR Part 62. As the Alternate Responsible Officer for GMU’s exchange visitor students, I am writing to provide information that you will need to prepare for your trip to the U.S.

For the Fall 2023 semester, GMU plans to have in-person, hybrid (partially in-person and partially online), and fully online classes. J-1 students may take one 3 credit online class that counts towards their full-time enrollment requirement. More information is in the section “During Your Program” in this guide.

**Orientation and Arrival at George Mason**
The Office of International Programs and Services will host a required in person orientation program on Thursday, August 17th. More information is located here: [https://oips.gmu.edu/attend-orientation/](https://oips.gmu.edu/attend-orientation/) As part of your required orientation program, I will also schedule a J-1 compliance meeting.

I wish you safe travels to the United States!

Sincerely,

Christine A. Bodziak
International Advisor

Steps to Obtain a U.S. Visa

CCIEE will work with you to obtain a visa appointment.

Bring to your Visa Interview

- Your GMU acceptance letter
- Your OIPS welcome letter that confirms you will be taking some or all of your classes in person
- Proof of funding documents
- Printed copies of your DS-160 confirmation page, your DS-160/visa (MRV) fee receipt and your I-901 SEVIS fee receipt
- Your DS-2019 Form
- Your passport valid for at least six months after the end date of your program at GMU
- You can check with CCIEE and the consulate’s website if any additional documents are needed.

Be prepared, honest, polite, and confident when presenting yourself to the consular officer during your visa interview. They may ask what you plan to study, why you selected Mason, and what your plans are after your program. You may be asked to show your admission letter from GMU, proof of financial support, proof of strong ties to your home country, etc. The consular officer will review whether you have sufficient funds to cover expenses and confirm your non-immigrant intent. Consular officers have the sole authority to either grant the visa or refuse the visa.

Please note that there is a chance refused applications may be flagged for administrative processing if the consular officer determined they did not have adequate information to verify if you are eligible for a visa. Please notify your J-1 advisor immediately if your application was flagged for administrative processing so we can advise you on next steps.
You can enter the United States up to 30 days before the program start date indicated on your DS-2019 form. Also, you have a grace period that allows you to stay in the U.S. for up to 30 days from the program end date on your DS-2019 form before departing the U.S.

Your visa permits you to travel to a U.S. Port of Entry. For most travelers, this is an international airport in the U.S. where you present yourself to the Customs and Border Protection (CBP) officer after disembarking from your flight. You will present certain documents and may be asked to show supporting documents. Be prepared, honest, polite, and confident when presenting yourself to CBP officials.

Place these important **printed** documents in your carry-on luggage during your flight when you travel so that they are readily available:

- Your passport with valid visa
- Your DS-2019 form
- Your admission letter
- Your OIPS welcome letter that has our contact information
- A print out of your classes from Patriot Web
- Your proof of funding documents
- Emergency contact information both in the United States (if applicable) and in your home country
- The address where you will be staying

Present your passport, **DS-2019 form that was signed by the consulate and entry visa** to the immigration official at the U.S. port of entry. They may ask questions that will require you to show some of your supporting documents. If they have additional questions, they may direct you to a secondary inspection site.

Almost everything in the United States can be paid using a credit card, so you should have one with you when you arrive. You will use it for your living expenses and might need it in an emergency. Do not carry a large amount of cash with you. If you must enter the U.S. with cash, we encourage you to use traveler’s checks, which are more secure and can be replaced if lost.

Please follow the link to explore your transportation options from Virginia airports: [http://transportation.gmu.edu/airportservices.html](http://transportation.gmu.edu/airportservices.html)
ARRIVAL AND ORIENTATION

The Office of International Programs and Services will host a virtual and in person orientation program. More information is located here: https://oips.gmu.edu/attend-orientation/

Once you have arrived in the United States, OIPS will validate your SEVIS record to confirm that you have arrived and started your program. In order for us to do so, each J-1 student must complete the J-1 online check-in process on the OIPS website. For the check-in process, you will need to know your G#, your local address, U.S. phone number (if applicable) and emergency contact information. You should plan to complete the J-1 check-in form as soon as possible after arrival, but no later than August 25th. You can only complete the check-in form AFTER arriving in the U.S. as you need to upload your most recent I-94 record. Please follow this link to start the check-in form:

https://oips.gmu.edu/international-student-check-in-form-for-j-1-students/

What is an I-94 Record?

The I-94 record is the “Arrival/Departure Record” issued by U.S. Customs and Border Protection (CBP) whenever you enter the United States. This record confirms that you have been legally admitted to the U.S. in a specific visa status, and for a specific duration of time. For F and J visa holders the amount of time is indicated by the notation “D/S” which means you can be in the U.S. for the Duration of Status of your student program. The CBP officers will enter the I-94 data into an on-line registration system using your passport and visa stamp. You will be able to access an electronic version of the I-94 record by visiting: https://i94.cbp.dhs.gov/I94/#/home This record can be printed when applying for immigration benefits, such as a driver’s license or a Social Security Number (SSN).
Newly arriving China 121 students are required to live on-campus. You can find additional information about on campus housing options and rates at housing.gmu.edu

You can also read some tips from students about on campus housing on the OIPS website at: https://oips.gmu.edu/housing/
Exchange Visitors and their dependents must maintain health insurance for the entire period of J status in the United States. U.S. regulations require the following:

1. Medical benefits of at least $100,000 U.S. per accident or illness
2. Repatriation of remains in the amount of $25,000 U.S.
3. Expenses associated with medical evacuation of the Exchange Visitor to his or her home country in the amount of $50,000 U.S.
4. A deductible not to exceed $500 per accident or illness

The George Mason University Health Insurance plan is offered by Aetna Student Health. It meets and exceeds the requirements. Along with your DS-2019, you will receive an International Student Welcome letter from the Student Health Insurance office explaining that international students are automatically enrolled in the health plan and the international student premium is due by the first day of classes. Per regulation 22 CFR 62.14(i) a willful failure to maintain health insurance will result in termination from the exchange program. Sponsored students who receive scholarships that cover the insurance fees must work with the Third Party Billing Office in Students Accounts to ensure they have a copy of your sponsorship letter. Sponsored students must follow up with their government sponsor to confirm that invoices are received and are in process.

You can find more information about the plan and how to access your health insurance benefits at: https://shs.gmu.edu/insurance/resources/

IMPORTANT NOTE: Please review the plan dates when considering your health insurance coverage. J-1 students arriving before the start of their Aetna Student Health coverage may want to purchase supplemental insurance coverage until the health plan start date. Once your program starts, there cannot be any breaks or lapses in insurance coverage even if one travels outside the U.S for an extended period of time during the J program.

THE COST OF U.S. HEALTH CARE

Your health insurance may not cover the full cost of your doctor’s visit, hospitalization or medication. Review the rules related to your plan to understand fully what is covered. Here are some of the terms defined:

**Premium**

The amount you pay to your insurance company for your insurance policy. This is paid on a monthly or a yearly basis, depending on your insurance plan.

**Co-Pay**

The co-pay or co-payment, is the amount you are expected to pay directly to the healthcare provider at the time you receive medical treatment. This is usually a small amount and varies depending on your insurance.
Deductible

The deductible is a part of the medical bill that you are expected to pay in addition to the co-pay. Insurance plans usually specify the amount of a medical bill they cover and the amount you must pay. The deductible is usually described as a flat amount or as a percentage, depending upon the policy. Generally high premiums have a lower deductible while lower premiums have a high deductible.

In many cases, the doctor’s office or hospital where you seek treatment may not bill your insurance directly. They may require you to pay them directly and for you to be reimbursed by your health insurance company.

Information on the Possible Applicability of the Affordable Care Act

The general rules regarding applicability of the individual mandate of the ACA and availability of ACA-compliant coverage also apply to J nonimmigrants, but that the minimum levels and types of coverage are still required as a condition of J-1 or J-2 status, even if those nonimmigrants are additionally subject to the ACA's individual mandate. For more information please visit: https://shs.gmu.edu/insurance/resources/
DURING YOUR PROGRAM

Full-time Program Participation

China 121 students are required to participate in their program by enrolling in a full-time schedule of classes, attending, and completing their courses. Most students take classes at GMU’s main campus in Fairfax. If you enroll in a class at another GMU campus, please let OIPS know so we can add that location to your site of activity in SEVIS.

Online and Hybrid Courses

J-1 students may only enroll in one three credit online or hybrid* course as part of their full-time enrollment requirement. If you are interested in taking more than one 3 credit hybrid/online course, you must first register for the minimum full-time requirement (12 credits for undergraduate) before registering for any additional online or hybrid courses.

The OIPS Website

The OIPS website has many resources regarding J-1 student responsibilities, remaining in status, employment, program extension procedures and much more at: https://oips.gmu.edu/j-1-students/

Employment

Some J-1 students work on campus or seek an off-campus training experience which must be approved as Academic Training. Any work performed while you are physically in the U.S. must be pre-approved by OIPS. OIPS will review employment options during orientation and also hold an employment workshop at the beginning of each semester.

Cultural Activities

Pursuing studies as an Exchange Visitor Student is also a commitment to engage in cultural activities in the U.S. and share your culture with Americans. OIPS offers a variety of cultural programming for our international students. Read the OIPS weekly newsletter, follow us on social media, and check out our website to find out about events and programs. Additionally, GEO will also share information about a variety of engagement opportunities. We encourage you to become involved in campus and local organizations and clubs. Mason 360 is a great resource to find campus groups and activities: https://mason360.gmu.edu/ If you need assistance to locate any additional resources, please do not hesitate to contact us. We also want to recognize and celebrate your participation in cultural events during your program. Please share with us any significant involvement or achievement. In the past, GMU J-1 students have been involved in student government, OIPS iCafes, GMU club sports, student research symposiums and campus award ceremonies to name a few.

*A hybrid course that meets for 60 percent or more face-to-face may be counted as an in-person course for J-1 student compliance.
Your safety and well-being during your program are among our highest priorities. We would like to remind you of resources offered by GMU and inform you of the requirements for reporting health and safety incidents to OIPS.

You can also find a variety of resources also on the OIPS website including important information on the J-1 Student website. There may be situations not listed here where we can help you resolve an issue affecting your health or safety. Please reach out to us with any concern or question you have, and we will help you sort it out and direct you to the appropriate resources. In addition, we want you to understand how a situation may affect your status in the U.S.

Updating your Address and Phone Number
We also need to know how to reach you, and by law you must update your contact information (address and phone number) within 10 days of making any change. If you move to an on-campus address, the Housing office will update your address. If you move off-campus, for the first time or any subsequent time, you must update your own address in Patriot Web. Please remember to have it listed as “off-campus residence” and not “permanent address” as international students only have permanent addresses outside the U.S. In addition, if your permanent address in your home country changes or your emergency contact person either here or abroad changes, please update this on Patriot Web too.

THE TWO-YEAR RESIDENCY REQUIREMENT

Some J1 exchange visitors are subject to Section 212(e) in the Immigration and Nationality Act; what is called the Two-Year Home Country Physical Presence Requirement, the Two-Year Residency Requirement or simply, the Two-Year Rule. It applies to exchange visitors in the following situations:

- If you receive any indirect or direct funding (including nominal travel grants) from your home government or a U.S. government agency at any point during your J-1 stay in the U.S.
- If your country of citizenship or permanent residency and field of work are identified by your home government as being in short supply and consequently listed on the U.S. State Department’s Exchange Visitor’s “Skills List,” here: https://travel.state.gov/content/travel/en/us-visas/visa-information-resources/skill-list-by-country.html

How to Fulfill?

To satisfy the home residence requirement, the individual subject to 212(e) must reside in the country of nationality or last legal permanent residence or be physically present in those locations for at least two years. It can also be an aggregate amount of two years if the person departed and returned to the country at various times. The two-year time period begins after the completion of the J1 program and the Exchange Visitor’s departure from the United States. Exchange Visitors who are subject may return to the U.S. while they are still subject in other non-immigrant categories including but not limited to F-1 student, J-1 Exchange Visitor, B visitor and the O-1 foreign national of extraordinary ability. Exchange Visitors that are subject:

- Cannot pursue a change of status in the U.S. (with certain exceptions).
- Apply for H, L, or K visa
- Cannot change status in U.S. to a legal permanent resident/immigrant visa.

Exchange Visitors interested in applying for a waiver of the Two Year Residence Requirement can find more information on the Department of State’s website: https://travel.state.gov/content/travel/en/us-visas/study/exchange/waiver-of-the-exchange-visitor.htm
