Dear Exchange Visitor Student,

We are glad to welcome you to our Exchange Visitor Program at George Mason University! The Exchange Visitor Program, also known as [BridgeUSA](https://www.bridgesusa.org/), operates under the auspices of the U.S. Department of State's Bureau of Educational and Cultural Affairs. Its purpose is to provide you with an opportunity to participate in an educational and cultural program in the United States, return home to share your experiences, and encourage Americans to participate in educational and cultural programs abroad. Exchange Visitors enter the United States on a J visa. Title 22 of the Code of Federal Regulations (CFR) regulates Foreign Relations. Part 62 regulates the Exchange Visitor Program. As a designated sponsor, GMU complies with regulations and compliance administration outlined in 22 CFR Part 62 and other related compliance guidance. As a participant, you are expected to comply with 22 CFR Part 62 and OIPS guidance. As the Alternate Responsible Officer for GMU's exchange visitor students, I am writing to provide information that you will need to prepare for your trip to the U.S.

Orientation and Arrival at George Mason

Your orientation activities will begin the morning of Monday, August 18, 2025. Thus, you will need to arrive at GMU before August 18th. The J-1 visa allows you to enter the U.S. up to 30 days before the start date of your DS-2019 form. As part of your required orientation program, I will also schedule a pre-arrival virtual J-1 compliance meeting to review important rules and responsibilities for J-1 students and a required compliance meeting on Thursday, August 21st.

I wish you safe travels to the United States!

Sincerely,

Christine A. Bodziak
International Advisor
cbodziak@gmu.edu

OBTAINING A U.S. VISA

Review your DS-2019 form confirming all information is correct. Contact your J-1 advisor if you have any questions. Read the front and back of the DS-2019 form and sign the EXCHANGE VISITOR CERTIFICATION on the bottom of page 1 of the DS-2019 form. Include the date and location (city and country) of where you signed the form. Signing confirms that you agree to the rules of your exchange visitor program.

Steps to Obtain a U.S. Visa

CCIEE will work with you to obtain a visa appointment.

Bring to your Visa Interview the following **PRINTED** documents:

- Your GMU acceptance letter
- Your OIPS welcome letter that confirms you will be taking some or all of your classes in person
- Proof of funding documents
- Printed copies of your DS-160 confirmation page, your DS-160/visa (MRV) fee receipt and your I-901 SEVIS fee receipt
- Your DS-2019 Form
- Your passport
- **You can check with CCIEE and the consulate's website if any additional documents are needed.**

Be prepared, honest, polite, and confident when presenting yourself to the consular officer during your visa interview. They may ask what you plan to study, why you selected Mason, and what your plans are after your program. You may be asked to show your admission letter from GMU, proof of financial support, proof of strong ties to your home country, etc. Practice your answers before your interview so that you can respond efficiently. The consular officer will review whether you have sufficient funds to cover expenses and confirm your non-immigrant intent. Consular officers have the sole authority to either grant the visa or refuse the visa.

Please note that there is a chance refused applications may be flagged for administrative processing if the consular officer determined they did not have adequate information to verify if you are eligible for a visa. Please notify your J-1 advisor immediately if your application was flagged for administrative processing so we can advise you on next steps. Once you receive the visa stamp, review it for accuracy and report to your J-1 advisor if there is anything that does not match your DS-2019 form.

TRAVELING TO THE UNITED STATES

You can enter the United States up to 30 days before the program start date indicated on your DS-2019 form. Also, you have a grace period that allows you to stay in the U.S. for up to 30 days from the program end date on your DS-2019 form before departing the U.S. Note that any time after you enter the U.S. with your DS-2019 issued by GMU until your final departure, your objective is to participate on the GMU exchange program. Recreational travel around the U.S. and preparing for your program and preparing for your departure from your GMU program would be the only appropriate activities before and after your program. Please consult with an OIPS J-1 advisor if you have any questions.

Your visa permits you to travel to a U.S. Port of Entry. For most travelers, this is an international airport in the U.S. where you present yourself to the Customs and Border Protection (CBP) officer after disembarking from your flight. You will present certain documents and may be asked to show supporting documents. Be prepared, honest, polite, and confident when presenting yourself to CBP officials.

Place these important **printed** documents in your carry-on luggage during your flight when you travel so that they are readily available:

- Your passport with valid visa
- Your DS-2019 form
- Your admission letter
- Your OIPS welcome letter that has our contact information
- A print out of your classes from Patriot Web
- Your proof of funding documents
- Emergency contact information both in the United States (if applicable) and in your home country
- The address where you will be staying

Present **your passport, DS-2019 form that was signed by the consulate and entry visa** to the immigration official at the U.S. port of entry. They may ask questions that will require you to show some of your supporting documents. If they have additional questions, they may direct you to a secondary inspection site. Note that they may search electronic devices upon entry. Please keep in mind that your visa only allows you to travel to a U.S. Port of Entry. The Customs and Border Patrol officer makes the final decision on allowing travelers to enter the United States.

Almost everything in the United States can be paid using a credit card, so you should have one with you when you arrive. You will use it for your living expenses and might need it in an emergency. Do not carry a large amount of cash with you. If you must enter the U.S. with cash, we encourage you to use traveler's checks, which are more secure and can be replaced if lost. Please follow the link to explore your transportation options from Virginia airports:

<http://transportation.gmu.edu/airportservices.html>

ARRIVAL AND ORIENTATION

The Office of International Programs and Services will host a virtual pre-arrival meeting and in person orientation program. More information about the pre-arrival meeting will be emailed in June. The International Enrollment Partnerships office (IEP) will also provide you with more information about any other orientation activities for China 121 students.

Once you have arrived in the United States, OIPS will validate your SEVIS record to confirm that you have arrived and started your program. In order for us to do so, each J-1 student must complete the J-1 online check-in process on the OIPS website. For the check-in process, you will need to know your G#, your local address, U.S. phone number (if applicable) and emergency contact information. You should plan to complete the J-1 check-in form as soon as possible after arrival, but no later than August 29th. You can only complete the check-in form AFTER arriving in the U.S. as you need to upload your most recent I-94 record. Please follow this link to start the check-in form:

<https://oips.gmu.edu/international-student-check-in-form-for-j-1-students/>

What is an I-94 Record?

The I-94 record is the "Arrival/Departure Record" issued by U.S. Customs and Border Protection (CBP) whenever you enter the United States. This record confirms that you have been legally admitted to the U.S. in a specific visa status, and for a specific duration of time. For F and J visa holders the amount of time is indicated by the notation "D/S" which means you can be in the U.S. for the Duration of Status of your student program. The CBP officers will enter the I-94 data into an on-line registration system using your passport and visa stamp. You will be able to access an electronic version of the I-94 record by visiting: <https://i94.cbp.dhs.gov/I94/#/home> This record can be printed when applying for immigration benefits, such as a driver's license or a Social Security Number (SSN).

HOUSING

Newly arriving China 121 students are required to live on-campus. You can find additional information about on campus housing options and rates at housing.gmu.edu Please review floor plans and understand that on-campus housing often requires a meal plan and sharing a bedroom. **Remember to read the [information dates](#) section** that lists when on campus dining halls open and close for the semester and during breaks so that you can plan your budget accordingly. Students can also view all open dining options by checking the “[What’s Open Now](#)” website.

After your first year, if you decide to live off-campus, we recommend working with Contemporary Student Services (CSS) for your off-campus housing search: <https://contemporary.gmu.edu> Read the Renter Resources and Renter Education sections of their website. Understand the cost, availability, and schedule for public transportation to and from campus. Housing scams occur, so please read over the CSS and [OIPS resources](#) and [information about renting in Fairfax](#) and to protect yourself. You can also find a variety of tips on the OIPS website at: <https://oips.gmu.edu/offcampus/>

Tip: The current minimum proof of funded needed is to meet basic living expenses for a single student at GMU. The cost of living in the metro Washington, DC area is one of the highest in the United States and actual living costs will vary greatly depending on lifestyle choices. Thus, it is very important that you research the cost of housing and other living expenses before you travel to the U.S.

Budgeting for your Exchange

If you need assistance with budgeting, GMU has a variety of financial wellbeing resources to help with budgeting wisely for your entire program. The Student Support and Advocacy Center (SSAC) offers a variety of programs and also has a recorded webinar: <https://ssac.gmu.edu/money-talks-series/> You can also read some tips from students about on campus housing on the OIPS website at:

HEALTH INSURANCE

Exchange Visitors and their dependents must maintain health insurance for the entire period of J status in the United States. U.S. regulations require the following:

1. Medical benefits of **at least** \$100,000 U.S. per accident or illness
2. Repatriation of remains in the amount of \$25,000 U.S.
3. Expenses associated with medical evacuation of the Exchange Visitor to his or her home country in the amount of \$50,000 U.S.
4. A deductible not to exceed \$500 per accident or illness

The George Mason University Health Insurance plan is offered by Aetna Student Health. It meets and exceeds the requirements. Along with your DS-2019, you will receive an International Student Welcome letter from the Student Health Insurance office explaining that international students are automatically enrolled in the health plan and the international student premium is due by the first day of classes. Per regulation 22 CFR 62.14(i) a willful failure to maintain health insurance will result in termination from the exchange program. Please note that students **will be billed twice a year**. First, the Fall insurance premium will appear on their student account before the first day of classes. It is due the first day of Fall semester classes. Next, students will be billed for the Spring/Summer premium which is due the first day of Spring semester classes. **Please note that there is not a Spring only option and the summer portion of the Spring/Summer premium cannot be separated.**

You can find more information about the plan and how to access your health insurance benefits at: <https://shs.gmu.edu/insurance/resources/>

IMPORTANT NOTE: Please review the plan dates when considering your health insurance coverage. J-1 students arriving before the start of their Aetna Student Health coverage may want to purchase supplemental insurance coverage until the health plan start date. Once your program starts, there cannot be any breaks or lapses in insurance coverage even if one travels outside the U.S for an extended period of time during the J program.

Dental Insurance: Note that the plan does not include dental insurance, though a supplemental plan may be purchased. Students should consider visiting their dentist in their home country before departing for the U.S. Dental procedures in the United States, even with dental insurance, can be expensive.

The Spring/Summer plan starts on January 1st and ends on August 15th. The Fall plan starts on August 16th and ends on December 31st. Once your program starts, there cannot be any breaks or lapses in insurance coverage even if one travels outside the U.S for an extended period of time during the J program. Below are some outside insurance companies that provide health insurance for dependents or Exchange Visitor Students on post-completion Academic Training.

THE COST OF U.S. HEALTH CARE

Your health insurance may not cover the full cost of your doctor's visit, hospitalization or medication. Review the rules related to your plan to understand fully what is covered. Here are some of the terms defined:

Premium

The amount you pay to your insurance company for your insurance policy. This is paid on a monthly or a yearly basis, depending on your insurance plan.

Co-Pay

The co-pay or co-payment, is the amount you are expected to pay directly to the healthcare provider at the time you receive medical treatment. This is usually a small amount and varies depending on your insurance.

Deductible

The deductible is a part of the medical bill that you are expected to pay in addition to the co-pay. Insurance plans usually specify the amount of a medical bill they cover and the amount you must pay. The deductible is usually described as a flat amount or as a percentage, depending upon the policy. Generally high premiums have a lower deductible while lower premiums have a high deductible.

In many cases, the doctor's office or hospital where you seek treatment may not bill your insurance directly. They may require you to pay them directly and for you to be reimbursed by your health insurance company.

Information on the Possible Applicability of the Affordable Care Act

The general rules regarding applicability of the individual mandate of the ACA and availability of ACA-compliant coverage also apply to J nonimmigrants, but that the minimum levels and types of coverage are still required as a condition of J-1 or J-2 status, even if those nonimmigrants are additionally subject to the ACA's individual mandate. For more information please visit:

<https://shs.gmu.edu/insurance/resources/>

DURING YOUR PROGRAM

Full-time Program Participation

China 121 students are required to participate in their program by **enrolling** in a full-time schedule of classes, **attending**, and **completing** their courses (taking final exams or completing any other required project if an exam is not given for the course). If a China 121 student is having difficulty meeting these requirements, IEP and OIPS will suggest on-campus resources including meeting with their academic advisor and a Success Coach.

Students who are not following the J-1 regulations are considered out of status which is grounds for program termination.

Online and Hybrid Courses

J-1 students may only enroll in one three credit online or hybrid* course as part of their full-time enrollment requirement. If you are interested in taking more than one 3 credit hybrid/online course, you must first register for the minimum full-time requirement (12 credits for undergraduate) before registering for any additional online or hybrid courses. NOTE: A hybrid course that meets for 60 percent or more face-to-face may be counted as an in-person course for J-1 student compliance.

The OIPS Website

The OIPS website has many resources regarding J-1 student responsibilities, remaining in status, employment, program extension procedures and much more at: <https://oips.gmu.edu/j-1-students/>

Updating your Address and Phone Number

By law **you must update your contact information (address and phone number)** within 10 days of making any change. If you move off-campus, for the first time or any subsequent time, you must update your own address in Patriot Web. Off-campus housing addresses need to be listed as “off-campus residence” and not “permanent address” as international students only have permanent addresses outside the U.S. If you do not update it correctly, your SEVIS record will not be updated. In addition, if your permanent address in your home country changes or your emergency contact person either here or abroad changes, please update this on Patriot Web too. If you live **on-campus**, you *do not* need to update your address. The Housing office will update it. If you decide to obtain a U.S. cell phone after a few weeks in the United States, please remember to update this in Patriot Web and let OIPS know.

Employment, Volunteering, Internships, Training Opportunities

China 121 students may work on-campus after their program is validated and have received signed written authorization from an OIPS J-1 advisor for each specific job. Also, they may seek an off-campus training experience that may start after their first academic year. Off-campus experiences must be approved as Academic Training. **Any work/training/internships performed while you are physically in the U.S. must be pre-approved by OIPS and meet J-1 requirements.** It is important that you understand what type of work/employment/training activities need approval by OIPS while you are in the U.S. Some volunteer opportunities may need authorization by OIPS. Thus, do not start any type of work/employment/training/internship or volunteer activity without consulting a J-1 advisor first.

DURING YOUR PROGRAM

Unauthorized employment is a serious offense and grounds for termination of your program.

Work is limited to a total of 20 hours each week except during official breaks. Students seeking on-campus employment must be employed by GMU or by an OIPS approved on-campus employer. OIPS will review options during orientation and also host an employment workshop at the beginning of each semester. University Career Services is a great resource for international students to find on-campus jobs or off-campus opportunities for Academic Training. Check out the Events section of their website to find out when employment fairs take place. In addition, they offer Handshake, an online platform to search for on-campus jobs or off-campus Academic Training opportunities. Students sign into Handshake using their GMU netid and password. However, as nondegree students, if you are having trouble accessing Handshake, reach out to Career Services to request that your Handshake account be activated.

Cultural Activities

Pursuing studies as an Exchange Visitor Student is also a commitment to engage in cultural activities in the U.S. and share your culture with Americans. OIPS offers a variety of cultural programming for our international students. Read the OIPS weekly newsletter, follow us on social media, and check out [our website](#) to find out about events and programs. Additionally, IEP will also share information about a variety of engagement opportunities. We encourage you to become involved in campus and local organizations and clubs. Mason 360 is a great resource to find campus groups and activities: <https://mason360.gmu.edu/> If you need assistance to locate any additional resources, please do not hesitate to contact us. We also want to recognize and celebrate your participation in cultural events during your program. Please share with us any significant involvement or achievement. In the past, GMU J-1 students have been involved in student government, OIPS iCafes, GMU club sports, student research symposiums and campus award ceremonies to name a few.

SAFETY AND WELLBEING RESOURCES

Your safety and well-being during your program are among our highest priorities. We would like to remind you of resources offered by GMU and inform you of the requirements for reporting health and safety incidents to OIPS.

You can also find a variety of resources also on the [OIPS website](#) including important information on the [J-1 Student website](#). There may be situations not listed here where we can help you resolve an issue affecting your health or safety. Please reach out to us with any concern or question you have, and we will help you sort it out and direct you to the appropriate resources. In addition, we want you to understand how a situation may affect your status in the U.S.

Updating your Address and Phone Number

We also need to know how to reach you, and by law **you must update your contact information (address and phone number)** within 10 days of making any change. If you move to an on-campus address, the Housing office will update your address. If you move off-campus, for the first time or any subsequent time, you must update your own address in Patriot Web. Please remember to have it listed as “off-campus residence” and not “permanent address” as international students only have permanent addresses outside the U.S. In addition, if your permanent address in your home country changes or your emergency contact person either here or abroad changes, please update this on Patriot Web too.

More information about the Department of State and J-1 program can be found at: <https://j1visa.state.gov/> GMU students can also find links to many of these resources on the OIPS website.

NEAR THE END OF YOUR PROGRAM

Program Completion

Your J-1 program end date on your current DS2019 is the last day of exams for your final semester taking classes at GMU while in the U.S. If you will finish your GMU classes in an earlier semester, or plan to complete any remaining classes online after returning home, please let us know. OIPS will need to shorten your program end date on your DS2019 form to reflect the last semester or summer term that you were enrolled in-person classes. Your 30-day grace period will begin after your updated J-1 program end date.

Program Extension

If you will not complete your academic program by the current end date on your DS-2019 form, remember to apply for a program extension as soon as possible. More information is at: <https://go.gmu.edu/pgm3>

Academic Training

If you are interested in participating in pre or post-completion Academic Training, please attend the J-1 Student Employment Workshop at the beginning of the semester or schedule an appointment then meet with your J-1 advisor. More information about Academic Training can be found at: <https://oips.gmu.edu/academic-training/>

THE TWO-YEAR RESIDENCY REQUIREMENT

Some J1 exchange visitors are subject to Section 212(e) in the Immigration and Nationality Act; what is called the Two-Year Home Country Physical Presence Requirement, the Two-Year Residency Requirement or simply, the Two-Year Rule. It applies to exchange visitors in the following situations:

- If you receive any indirect or direct funding (including nominal travel grants) from your home government or a U.S. government agency at any point during your J-1 stay in the U.S.
- If your country of citizenship or permanent residency and field of work are identified by your home government as being in short supply and consequently listed on the U.S. State Department's Exchange Visitor's "Skills List." here: <https://travel.state.gov/content/travel/en/us-visas/visa-information-resources/skill-list-by-country.html>

How to Fulfill?

To satisfy the home residence requirement, the individual subject to 212(e) must reside in the country of nationality or last legal permanent residence or be physically present in those locations for at least two years. It can also be an aggregate amount of two years if the person departed and returned to the country at various times. The two-year time period begins after the completion of the J1 program and the Exchange Visitor's departure from the United States. Exchange Visitors who are subject may return to the U.S. while they are still subject in other non-immigrant categories including but not limited to F-1 student, J-1 Exchange Visitor, B visitor and the O-1 foreign national of extraordinary ability. Exchange Visitors that are subject:

- Cannot pursue a change of status in the U.S. (with certain exceptions).
- *Apply for H, L, or K visa*
- Cannot change status in U.S. to a legal permanent resident/immigrant visa.

Exchange Visitors interested in applying for a waiver of the Two Year Residence Requirement can find more information on the Department of State's website: <https://travel.state.gov/content/travel/en/us-visas/study/exchange/waiver-of-the-exchange-visitor.htm>
